THE GREAT *Basil* GROW-A-THON

Gardening enthusiasts of all ages are invited to join The Great Basil Grow-A-Thon now to help BCAIRC raise \$25,000 this summer! Grow a basil plant in your garden while collecting pledges from friends and family to support your plant's growing journey!

The Great Basil Grow-A-Thon participants will receive a toolkit with basil seeds and resources. On August 9, plant the basil seeds and during the next 3 weeks, have fun watching, tending to, and measuring the progress of your plant as it develops from seed to seedling – and finally to a fully grown basil plant!

Participants will receive basil activities, resources, and recipes - plus a chance to win \$550 in prizes!
