

## Spotlight on Chickens: Broiler Chicken Trivia Kahoot!

Grades: 6-12

Subject: Sustainable Agriculture

Students will have the opportunity to put their knowledge of the British Columbia Broiler Chicken Industry to the test while engaging in an interactive online Kahoot game. Students will answer trivia questions related to the [Spotlight on Chickens Broiler Chicken video](#), and reinforce their learning through this collective game experience.

### Materials

- [Spotlight on Chickens Broiler Chicken video](#)
- [Kahoot Quiz template- Broiler Chickens](#)
- Tablets/computers for students
- Screen/projector to view video

### Procedure

1. Create a Kahoot! Game:
  - a. Open the Kahoot! app ([www.kahoot.com](http://www.kahoot.com)) and log in or sign up for a free account.
  - b. Tap CREATE in the top right hand corner.
  - c. Tap ADD QUESTION. At the bottom you will see "Import Spreadsheet".
  - d. Click on "Import Spreadsheet", and then choose "Select File".
  - e. Select "[Kahoot Quiz template- Broiler Chickens](#)" (which you have saved as an xlsx file).
  - f. Click "UPLOAD", and then "ADD QUESTIONS".
  - g. Delete question 1 (it is blank).
  - h. Scroll down to Question 8 (When did adding hormones and steroids to chicken feed become illegal?), and add video: [Hormones and Steroids in Chicken](#), by clicking on the "+" sign and following the prompts. Students will watch the video before answering the question.
  - i. Scroll to Question 9 (What qualifies a chicken as Organic?), and add video: [Organic Chicken](#), by clicking on the "+" sign and following the prompts. Students will watch the video before answering the question.
  - j. Click "SAVE" in the right hand corner.
  - k. Give it a title.
  - l. Choose "PLAY NOW", and then "TEACH".

- m. Then, adjust any settings desired and choose “Player vs. Player” or “Team vs. Team”. A game pin will appear. Record that game pin for students to use for logging in.
2. Have students watch the [Spotlight on Chickens Broiler Chicken video](#).
3. Have students open [www.kahoot.it](http://www.kahoot.it) to play the Kahoot game on a tablet or computer, using the Game PIN provided by the application.
4. Award prizes for the winners if desired.
