

Mystery Garden Worksheet #4

Hello Plant Detectives! We have received word that BC Agriculture in the Classroom has a mystery to be solved – a mystery garden, to be exact!

We will need your special detective skills of observation, problem solving, and creative thinking to solve the mystery of what plants are growing in this garden, and how they grow. The clues will appear along with pictures of the garden on the BCAITC Facebook and Instagram pages regularly.

Good luck detectives!

Week 4: Super Seedlings

17 days after planting we now have more seedlings emerging.

1. How many more containers have sprouts in them? _____
2. How many containers still have no sprouts? _____
3. Can you identify which plants have grown more leaves? _____
4. How do these new leaves look compared to the first set of leaves?

5. DRAW the old leaves and the new leaves of one of the seedlings.
