

## Mystery Garden Worksheet #6

Hello Plant Detectives! We have received word that BC Agriculture in the Classroom has a mystery to be solved – a mystery garden, to be exact!

We will need your special detective skills of observation, problem solving, and creative thinking to solve the mystery of what plants are growing in this garden, and how they grow. The clues will appear along with pictures of the garden on the BCAITC Facebook and Instagram pages regularly.

Good luck detectives!

### Week 6: Blackout

The sneaky staff at BCAITC wanted to experiment with the seeds to see if removing light would affect the growth of the plants - use your super sleuth skills to answer the following questions:

1. What did the black paper do to the leaf?

---

2. PREDICT what would happen to the plant if the black paper was left on for another week

---

3. Which plant is the tallest? \_\_\_\_\_

4. Do you think this plant will be the tallest when it is fully grown?

---
